

5th

ASEAN MICROBIAL BIOTECHNOLOGY CONFERENCE

"Research in Microbiology and Biotechnology for Supporting the Sustainable Development Goals"

13 June 2025

ASEEC TOWER, UNIVERSITAS AIRLANGGA

KEYNOTE SPEAKERS

Dr. Almando Geraldi

University-CoE-Research Center for Bio-molecule Engineering, Universitas Airlangga

Dr. Lily Eurwilaichitr

National Energy Technology Center (ENTEC), NSTDA,

Prof. Kazuhito Fujiyama

International Center for Biotechnology, The University of Osaka

PLENARY SPEAKERS

Assoc. Prof. Dr. Phi Quyet Tien

Vietnam Academy of Science and Technology

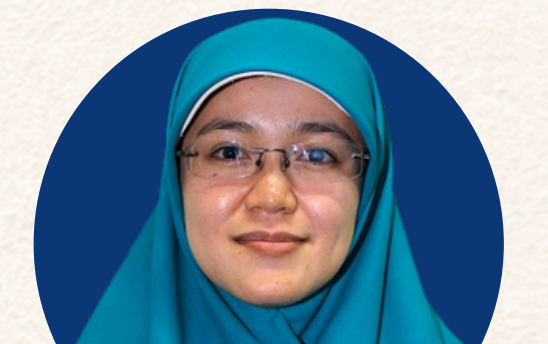

Dr. Jeffrey Lim Seng Heng

Malaysian Agricultural Research and Development Institute

Dr. Dalia Sukmawati

Universitas Negeri Jakarta

Dr. Eng. Isty Adhitya Purwasena

Institut Teknologi Bandung

Robert A. Nepomuceno, M.Sc

University of the Philippines Los Banos

ORAL & POSTER PRESENTATION

Scopes

- ✓ General Microbiology
- ✓ Medical microbiology
- ✓ Environmental microbiology
- ✓ Food microbiology
- ✓ Cell and molecular biology
- ✓ Bacteriology
- ✓ Biotechnology
- ✓ Mycology
- ✓ Biochemistry
- ✓ Bioinformatics
- ✓ **And more.....**

IMPORTANT DATES

- **Abstract submission deadline**
40 May 2025 - 30 May 2025
- **Registration Deadline**
30 May 2025
- **Conference Day**
13 June 2025
- **Full Paper Submission**
30 June 2025

PUBLICATIONS

"Selected high-quality papers will be reviewed and considered for publication in the proceedings and journal indexed by **scopus**."

PAYMENT

Categories	Registration Fee	
	Local (IDR)	International (USD)
Oral presenter (non student)	1.250.000	80
Oral presenter (student)	750.000	50
Poster (non student)	1.250.000	80
Poster (student)	750.000	50
Attendee	250.000	20
